

City Break Incentive

City breaks are the perfect way to reward and incentivise your team all year round - there's something for everyone

We'll tailor-make your city break to maximise your budget with the best combination of flights or Eurostar, hotels, transfers, meals and activities. We can create any number of itineraries, depending on your requirements, and these can include activities such as Christmas markets, food and culture experiences, segway adventures, wine tasting, hot air balloon flights, zip line experiences, personal shoppers, VIP club nights and much more!

Our city break incentives are based on two or three nights in an amazing city such as Prague, Rome, Budapest or even New York, giving you the chance to explore all the city has to offer - the possibilities are endless.

Looking to stay longer? No problem, we can tailor-make your incentive to any city for any duration.
